SIGNED CERTIFICATION

Certification of Prices for Amendment to Priority Mail Contract 734

I, Jorge A. Diaz, Manager, NSA Strategy & Support, Finance Department, am familiar with the prices and terms for the amendment to Priority Mail Contract 734. The amended prices and terms contained in this Contract were established by the Decision of the Governors of the United States Postal Service on the Establishment of Prices and Classifications for Domestic Competitive Agreements, Outbound International Competitive Agreements, Inbound International Competitive Agreements, and Other Non-Published Competitive Rates (Governors' Decision No. 19-1).

I hereby certify, based on the financial analysis provided herewith, that the amended prices are in compliance with 39 U.S.C § 3633 (a)(1), (2), and (3). They are expected to cover attributable costs. There should therefore be no subsidization of competitive products by market dominant products. The amended contract should not impair the ability of competitive products on the whole to cover an appropriate share of institutional costs.
